

Since 1978

Royal Cargo L.L.C.

Welcome Royal Cargo L.L.C.

Founded in 1978 and headquartered in Dubai, United Arab Emirates, Royal Cargo is a leading Freight Forwarding company, specializing in innovative warehousing and logistics management solutions. With vast experience in the freight forwarding industry, we offer just what domestics and the international market demand. Royal Cargo offers air freight forwarding, sea freight forwarding, customs handling, and import & export of goods across United Arab Emirates and worldwide with advanced and spacious warehousing solutions.

We, at Royal Cargo are always committed to consistently providing reliable and value-added freight forwarding solutions by fostering a culture of continual improvement leading to customer satisfaction. Having agents & associates in all major strategic locations around the world, we are always committed to delivering a complete portfolio of shipping and logistics solutions to our valued clients.

Vision

To develop long-term and short-term alliances through understanding of our valued clients businesses, their goals, and aspirations and employing cutting edge technology solutions that can enable us to be a shipping and logistics partner of your choice.

Mission

- To offer our customers the best possible logistics services to global destinations.
- To achieve great business volumes by offering quality services by adding value to the supply chain.
- To maintain a deep business relationship with our customers and business partners in continuous pursuit of service excellence

Royal Philosophy

A PARTNERSHIP WITH EACH CUSTOMER :

Royal Cargo offers premium service with solutions that fit each customer's individual needs. Royal Cargo is an efficient organisation with less bureaucracy. Our flexibility enables us to meet the difficult logistics challenges that larger companies sometimes lag behind.

OUR PEOPLE ARE THE KEY :

Productive, empowered employees build strong companies. At Royal Cargo, our corporate climate encourages a two direction system for constant improvement and strategic vision comes from the top down while the employees in the field suggest many of our operational improvements.

GLOBAL NETWORK / LOCAL KNOWLEDGE :

Our partnerships with an extensive network of reliable agents developed over the years enable us with a worldwide reach, while our particular expertise in the gulf region gives us a competitive edge when it comes to "getting the job done at right time".

SAFETY :

One of only a few freight forwarding companies in Dubai to have earned the IATA License, Royal staff attend regular training courses to sharpen skills in performing these sensitive operations.

PEACE OF MIND :

Supply chain reliability is vital for success in business, and Royal Cargo offers a complete solution that guarantees your cargo arrives on time, every time. We take personal responsibility for all of our customer's Shipments whether we are handling your shipments directly or through one of our worldwide partners.

ONE WORLD ONE NAME

Royal Cargo L.L.C.

OUR PROFILE /

Royal Cargo is one of UAE's leading, end-to-end, comprehensive, and outsourced Logistics Solutions Providers having ISO Certification from DNV as well as IATA approved Cargo agency with the membership of NAFL, FIATA, and GCAA.

Through the past 40+ years in the logistics industry, Royal Cargo has managed to build up an excellent reputation for giving quality service to its customers & agents.

In U.A.E, Royal Cargo has developed a major presence near Dubai Cargo Village with a city office and a warehouse close to Dubai International Airport and a big presence in Jebel Ali Free Zone with 3 state of art warehouses at key locations.

In a nutshell, Royal is committed to providing Total Logistics Services to its clients.

With Royal, you will have the advantage of working with an influential local company, financially secure with a well developed worldwide network.

CERTIFICATION AND MEMBERSHIP /

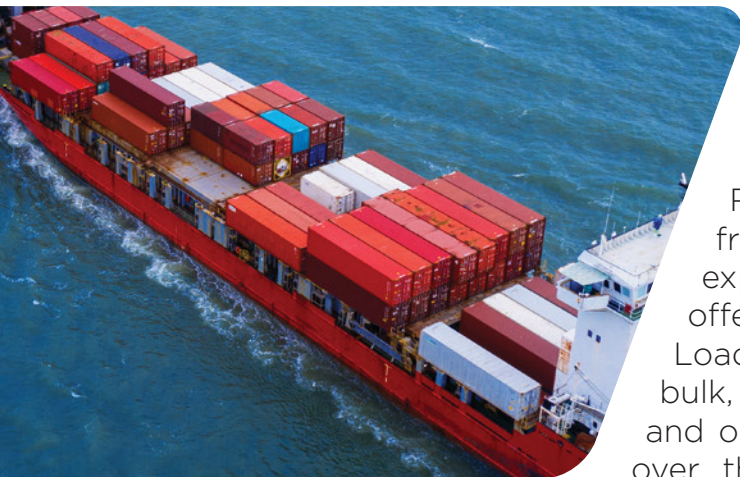

Our Services

Air Freight

Air freight is an essential part of the services that we provide. Royal Cargo is offering complete range of air freight solutions together with our alliance partners.

Having tie-up with world's major international air lines which secures space on various flights every month which helps for easy booking and makes the air shipments very fast. Liaising

closely with all the airlines and a network of agents, we can offer door-to-door services by providing all the necessary documents and custom requirements. At Royal Cargo, through its extensive worldwide network, have established a fast and efficient airfreight product which translates into a cost efficient and fast movement of cargo to and from worldwide markets. The company handles the airfreight consolidation on many major routes through its efficient worldwide network. Royal Cargo is fully equipped to handle all sorts of a cargo of any size and type by providing world-class end to end service to our clients at competitive rates.

Sea Freight

Royal Cargo provides a wide range of ocean freight solutions supported by a highly experienced Team with excellent infrastructure, offering containerized, FCL (Full Container Load), LCL (Less than Container Load), break bulk, heavy lift, etc. Having offices & associates and our ties with major reputed shipping lines all over the World, allow us flexibility in providing ocean freight services for corporate customers.

Supported by modern technology and a global network of partners and agents, the Royal Cargo team of experienced professionals can ensure timely handling of your shipment every step of the way. We are capable of handling huge volumes as far as ocean freight is concerned. Supported by modern technology and a global network of partners and agents, the Royal Cargo team can ensure timely handling of your shipment at every stage.

Dangerous Goods

Royal Cargo is offering a wide range of air/sea freight solutions including handling hazardous goods. Transportation and handling of dangerous goods / hazardous material has always been a complex procedure. At Royal Cargo, dangerous goods (DG) shipments are handled in the most professional way and work closely with its local as well as international clients and strive hard to maximize customer satisfaction. Dangerous cargo / hazardous material are substances that when transported can be a risk to the health, safety, property, or the environment. Royal Cargo ensures your dangerous cargo is taken care of right from packaging, labeling, documentation, transportation, transit, and final delivery to the consignee's door.

Warehousing

Royal Cargo is offering cost-effective warehouse facilities for any commodities in our warehouse on a short-term and long-term basis. In the freight forwarding industry warehousing is an integral necessity rather than additional service requirements. By realizing the importance, we possess three spacious warehouses in Jebel Ali, with all security provisions for storage. We offer the most competitive storage rates and by providing maximum security. Our warehouses are located in prime locations in UAE and managed and supervise by our professional team, provide surveillance 24/7, which is convenient to customers looking for a single window logistics partner. The facilities consist of complete modern storage systems and material handling equipment. Arrangements are in place in the warehouse for the packing and transporting needs of our clients.

Our Services

Logistics And Distribution

Royal Cargo offers a full range of logistics and supply chain solutions that ensure the highest level of customer satisfaction. We, at Royal Cargo, are offering full logistics solutions focused around port based import and export facilities around UAE. Our warehousing and distribution facilities are located in JAFZA, offering our customers flexibility in reaching their markets within the UAE and abroad. At Royal Cargo, we have a highly experienced team to help our clients to choose the most cost effective logistics and distribution solutions regardless of volume. We do speedy customs clearance and ensure smooth flow of your supply chain while interacting with multiple customers. We have a modern warehousing facility that is highly resourceful. Our efficient storage system and material handling expertise have enabled us to generate utmost customer satisfaction. Royal Cargo is the best logistics provider in Dubai to facilitate world class freight forwarding and logistics solutions.

Customs Brokerage

We offer our custom clearance services to many reputed companies in the country. Having our own license to deal in the customs brokerage business, Royal Cargo offers value-added customs clearance services to its customers across the country. Since 1978 Royal Cargo ensures 100% success in transporting and clearing all inbound and outbound cargo. Our customs brokerage operations assist clients with their import customs clearance and supply chain challenges. We have a highly experienced team who are all very well versed in the customs clearing activities. As a customs clearance expert, our team understands the challenges faced and updates the customer with the latest customs compliances, regulations, and procedures. Our customs clearance team has also established good relationships with the local customs authorities and gained their trust. This will help efficient and hassle-free customs clearance services and happy customers.
